Re: Public Records Request

Dear Ms. Schneider,

On October 6, 2017, the Louisiana Department of Education received your email seeking information pursuant to the Public Records Act of Louisiana, R.S 44:1 *et seq.* and containing the following request:

1. Copies of parent petition forms filed from 2012 to present for the purpose of converting "low performing schools" into RSD charters as per the parent petition law in La. RS 17:10.5 and as advertised on the LDE website at <http://www.louisianabelieves.com/schools/parent-petition>.

2. A comprehensive list of the names of such "low performing schools" that have been converted to RSD charter schools as a result of the above-named parent petition process.

In response to that request, the Department provides that it is not in possession of any responsive documents as no parent petitions have been filed.

Sincerely,

G.M. Millet, Jr.
